

## FACT SHEET- April 2014

In District 04, On Route 9, 35, 82, 152, 280, 880

ADA Project - EA-04-4A6304

### Project Description:

Construction of sidewalk curb ramps at various intersections along state highways in the City and County of San Francisco and Santa Clara. Scope of the project consists of constructing curb ramps at 21 locations.

### Need and Benefits:

Various sidewalk curbs along intersections of Routes 9, 35, 82, 152, 280, and 880, are to comply with the Americans with Disabilities Act. Replacement of existing curbs and construction of new curbs are necessary to comply with ADA standards to ensure wheelchair accessibility.

### Partners:

California Department of Transportation (Caltrans)  
Ghilotti Bros. Inc.

### Project Funding Source:
